

REMINGTON & VERNICK ENGINEERS AND AFFILIATES

*“Let the work proclaim
the people...”*

Our Founder,
J.C. REMINGTON, 1901

Remington & Vernick Engineers and its affiliates sincerely care about the people who live in the communities we serve and those who survive extraordinary circumstances and need our support. Part of our duty as a Municipal and Consultant Engineer is to ensure the safety and well being of those affected by the projects we undertake on behalf of our clients. This involves public meetings and the dissemination of information, as well as being open to feedback and suggestions by community members. After all, how can a firm effectively meet the needs of a community without taking the time to get to know the community and become a part of it?

Employee volunteers established our Charity Committee in 1990. The Committee runs a variety of charitable events, including the annual Food Drive, Golf Tournament, Bowling Tournament, Road Rally, and Holiday Toy Drive. Hundreds of thousands of dollars have been collected and distributed to individuals and organizations throughout New Jersey and Pennsylvania.
