

2016 – 2017 Diabetes Support Group Schedule

Two Locations to Better Serve You!

The Lourdes Diabetes Support Group meets monthly in an informal setting to offer information and resources to the community. If you are living with diabetes or caring for someone who is, join us to learn and share.

No pre-registration is required. Just come by for support and information. All sessions are led by a certified diabetes educator. Benefit from sharing with others what it's like to be living with diabetes, coping strategies, tips on managing medications and much more!
