Teen Summer Volunteer Information

Here you will find the Summer Teen Volunteer application and information about the Summer Volunteer Program. Interested teens between the ages of 14-17 may apply for the Summer Teen Volunteer Program. Applicants who are 18 years and above and already graduated from high school may apply for the Adult Volunteer Program. If an applicant is 18 and still a high school student he or she may participate in the Summer Teen Volunteer Program.

Students, who are interested in our program, please fill out the teen application and return it before the due date of **May 30, 2019**. Applications will not be accepted after the deadline.

To be chosen for the program the teen must be able to volunteer at least 30 hours during the entire course of the program, which is usually one four hour shift per week during the 8 week period.

Teens will be given a schedule based on the shift schedule below. The placement process is done through the Volunteer Services Department only, **parents or associates do not have the authority to place teens in departments.**

All teens will be required to attend an interview, orientation, obtain a tuberculin skin test, proof of physical, and provide proof of up to date shot records.

Please be aware that all volunteers are required to maintain patient confidentiality and must adhere to the confidentially procedures of the health system.

Space is limited, so submit your application right away. Thank you

All participants must attend the interview and orientation sessions please see the schedules for those sessions below.

- Information/ interview sessions Camden June 5, 2019 at 6:00PM. Please wait in the lobby. Parents are encouraged to attend the Information session.
