Providing you access to your Virtua Our Lady of Lourdes and Virtua Willingboro medical records
myFHR by CareEvolution

Connect myFHR™ to each of your physicians, hospitals/ED, and Medicare/insurance companies to gather all your health information—medications, procedures, allergies, diagnoses, lab results, and appointments.

• Go prepared to your next doctor visit with mobile access to all of your health records.
• Prevent errors by helping your care providers act on consistent knowledge of your medications, allergies, and other critical information.
• Securely store images and scans of health documents.
• Add over-the-counter medications and track symptoms like pain or mood.
• Be alerted to important health events—abnormal lab results, overdue vaccinations, and readings from connected smartwatches and devices.
• Share access with family, friends, caregivers, and your health plan.

Your privacy and security are important. MyFHR stores data securely in our HIPAA-compliant cloud and we only share your records with people you trust and approve.
Step: 1 Go to Google Play, then search for “myFHR by CareEvolution.”

Step: 2 Click Install
Step: 3 Once it is installed, you will see this shortcut icon on your home screen.

Step: 4 Login with your Gmail account or click on JOIN.
Step: 5  Once you join or login through your Gmail account, you will get prompted for authorization. Click on Continue.

Step: 6  Once you click on Continue, you have to verify your information.
Step: 7  You will then get prompted for a Notifications alert. You can select **Allow** if you would like to get notified, Or select **Don’t Allow** if you do not want to get notified.

Step: 8  You can turn **ON** this option to allow myFHR to READ. If not, simply **Skip** the step. (Continue on next page.)
Step: 9 Here you can click on the Get Started option to see the provider or health plan account to get started.

Step: 10 Once you click on Get Started, you will see all of the providers. Search or go to the letter O to find Our Lady of Lourdes Health System.
Step: 11 Once you click on the Our Lady of Lourdes location, it will start establishing a connection from your mobile device to your provider.

Step: 12 You will then be asked to Login to your MyHealth portal. Once you successfully login to MyHealth, it will again establish a connection from your device to your provider.

Step: 13 Once complete, you will see an authorization screen with your name displayed. Click on your Name and then click on Agree.
Step: 14  Once authorized, you will see this screen. You can see your Medical Record here. This includes: Lab Results, Medications, Reports, Conditions, Procedures and Services.

Under Timeline, you will see your Problem, Medication, Status and Description in details.
**Step: 15** On the application under...More, you will see this screen.

Click on the **LINKED PROVIDERS AND HEALTH PLANS** and click on ⌁ to synchronize the data if it is not already synced.

You now have your Family Health Record in the palm of your hands.
